Let's draw a picture of a lady—a gracious lady—a talented lady—not with the cold, black ink of statistics but with the warm colors of a quiet, charming personality.

Mrs. LeGros, the background of this picture is a panorama of twenty years in the schools, the elementary, the junior high and the senior high schools of Texas. These are the years colored with your love of the beautiful passed on to all your art students; your love of books shared by children when you were their librarian; your love of life and good order and harmony achieved in your years as Dean of Austin High School; your devotion to God and church in your Sunday School teaching; and the joy you have in your family life and grandchildren.

Your professional life has seen you winning a B.A. degree, a B.S. degree and an M.A. degree in the colleges of your choice, Sam Houston State Teachers College, Parsons School of Design, The University of Colorado and the University of Houston.

May the CORRAL Staff and sponsors join all the students of Austin High School and its alumni in wishing you, the honoree of the 1964 CORRAL, all the beauty of life and happiness that your devoted service deserves?

Dedicated to Mrs. Bertha LeGros

Dean of Austin High School

Foreword

Today the CORRAL comes to you bound with music in a marching air. It is a day in May.

Without regret or care it shows its pictures smooth, its favorites debonair. But where can we begin to tell the real story of a great year at Austin—how deep the furrow that sorrow dug, how hard the climb to knowledge, how warming and endearing the friendship, how cold the winter winds and fog, how cheering the wild shouts for champions, how bewildering the crowds, the dances, the ticking of clocks at study and tests, how silent the victories of honors, scholarships, medals and awards?

Today the CORRAL comes to you, bound with loving labor, touched with sleepless working hours to remind you of 1964, a year of dreams . . . of serious, hopeful work—and yes, a year of accomplishment.

Dr. James H. Goettee

PRINCIPAL

Dr. James H. Goettee, distinguished educator and civic leader, is the principal of Austin High School. Dr. Goettee is a member of the Phi Delta Kappa, Delta Kappa Pi, the past president of the Eastern Houston Kiwanis Club, the past president of the Houston Council of Education, the Houston Association of Secondary School Administrators, a life member of the National Congress of Parents and Teachers, a life member and past vice-president of the Texas State Teachers Association and the National Association of Secondary School Principals whose Bulletin has published his articles on education. He is past president of the Houston Council of Education and a life member of the National Education Association.

Dr. Goettee received his B.S. degree from Sam Houston State Teachers College, his Master of Education from the University of Texas and his doctorate in Education from the University of Houston. He is listed in the National Social Register, in "Who's Who in American Education" and "Who's Who in the South and Southwest."

Mr. A. E. Kotrola

ASSISTANT PRINCIPAL

Mr. A. E. Kotrola received his B.A. degree from Texas Technological College, did special work at Brown University and received his Master's degree from the University of Texas. He is a member of the Houston Administrators, the Texas State Teachers Association and the Houston Council of Education.

For ten years Mr. Kotrola was the football coach at Austin and in 1954 was named the Texas "Coach of the Year." The same strong spirit of cooperation, responsibility and good conduct pervades the work of the assistant principal's office. His duties carry him from one end of the campus to the other and to all the school activities, keeping the school "team" at top performance.

Mrs. Bertha LeGros

DEAN

Mrs. Bertha LeGros brings to her office of Dean, the many-sided experience of her long and interesting career in the public schools. Mrs. LeGros carries a B.A. degree, a B.S. degree and a Master's degree. Her colleges are the University of Colorado, Teachers College, Greeley, Colorado; the Parsons School and the University of Houston.

A serene and gracious manner moves with the multiplicity of the Dean's duties. Guiding and counseling girls at Austin, ordering drill books, interviews with parents, auditorium programming, supervision of cafeteria, presiding at all scholastic and social events of the school fill the hours of the Dean's day.

Miss Annie Laurie Howard

REGISTRAR

Essentially, the role of registrar concerns itself with maintaining scholastic standards, graduation requirements, permanent record cards, transcripts and classification of the student body. Miss Howard's continued interest in all of Austin's students, past and present, distinguishes her service in this office. She has a B.A. and M.A. degree from the University of Texas and graduate study at the Universities of New York, Colorado, and California.

Miss Beatrice Lytle

COUNSELOR

B.A., University of Texas; M.A., New York University; Counselor Certificate, University of Houston.

Future . . .

All the bright-eyed hopes and wordless fears of the student are saved for the counselors' ears.

The full educational program is applied in the counselor's office to the individual. Conferences are held, parents consulted, four-year plans arranged, drooping grades bolstered and scholarship reports computed. The new student has a skillful guide, the graduate a reliable map of opportunity and assurance as each leaves the office of his counselor.

AUSTIN'S

ECHO

OF 1964

RONDENA BECKHAM
Editors

EILEEN O'TOOLE

SEPTEMBER 4 and OPENING DAY . . . we love that parade . . . the triumphant blast of bugles, cheers, flag-raising, dances and drums. CHEERLEADERS and all STEVIE'S BOOSTERS join in opening the door on a great and new school year.

FRIDAY, the THIRTEENTH, a day of ill omen? Not so. SENIOR RINGS arrived, branding the 1964 graduates the LUCKIEST ever! (And the Mustang was cautiously headed inward.)

THE KEY CLUB made headlines with its Annual Leadership Banquet. One hundred and fifty attended, representatives of all organizations on campus. Their fund-raising CAR WASH made a splash of success shortly thereafter.

CHARLIE CHEATHAM elected CHIEF BOOSTER after a deflated crowd tried to promote the first BRIGADIER to a BOOSTER CLUB office . . . After the dust had settled, BRONCO WHIRL plans went into full swing with the annual dance held at Sylvan Beach.

PONY FOOTBALL TEAM COPS TRI-ZONE CHAMPIONSHIP! And the ROUND-UP presented the PIGSKIN PRESS AWARDS to RONALD WILCOX and HOLLIS DEALY. JACK HERRINGTON was named "Greater Houston Area Lineman."

HONORS BLAZED all around us — for the scholars, brave and true, a most happy time: MARSHA MATHIS and BOB SHAW shared honors as Austin's DAR. GOOD CITIZENS of 1964.

ANDRE MEYER and RICHARD GRAY were the NATIONAL MERIT SCHOLARSHIP FINALISTS. And speaking of high scores: RICHARD GRAY was the 1964 high-scoring RIFLEMAN of the city! Tough . . .

MR. HEINZE'S HOMEROOM won the P.T.A. membership award . . . 118% membership!

The SCOTTISH BRIGADE celebrated SCOTS' DAY in Austin, Texas . . . bagpipes, drills, drums and lots of pictures. ALAN ARABIAN, alumnus of Austin and photographer, kept the pictures coming right down through the months of '64 . . . including his excellent photos of the Mustangs State Title Game, on pages 321 to 328 of this yearbook . . .

The PEP RALLIES of '63 — EXCEPTIONAL — especially the courtroom scene. How about those balloons, Charlie? Pop, pop!

AUTUMN DAYS drifted slowly and fell with a tone of tragedy in our country . . . the death of President Kennedy, November 22, 1963.

HOMECOMING DAY brought back many of the alumni and a long-sought VICTORY over JONES. MISS DINAH MULLEN reigned as HOMECOMING QUEEN and REBECCA LOESCH the runner-up PRINCESS.

Athletic groups came out of a blizzard of ballots to announce their favorites: TRACK SWEETHEART, TOMMIE JEAN LACY and BASKETBALL SWEETHEART, SUSAN SCHOONOVER.

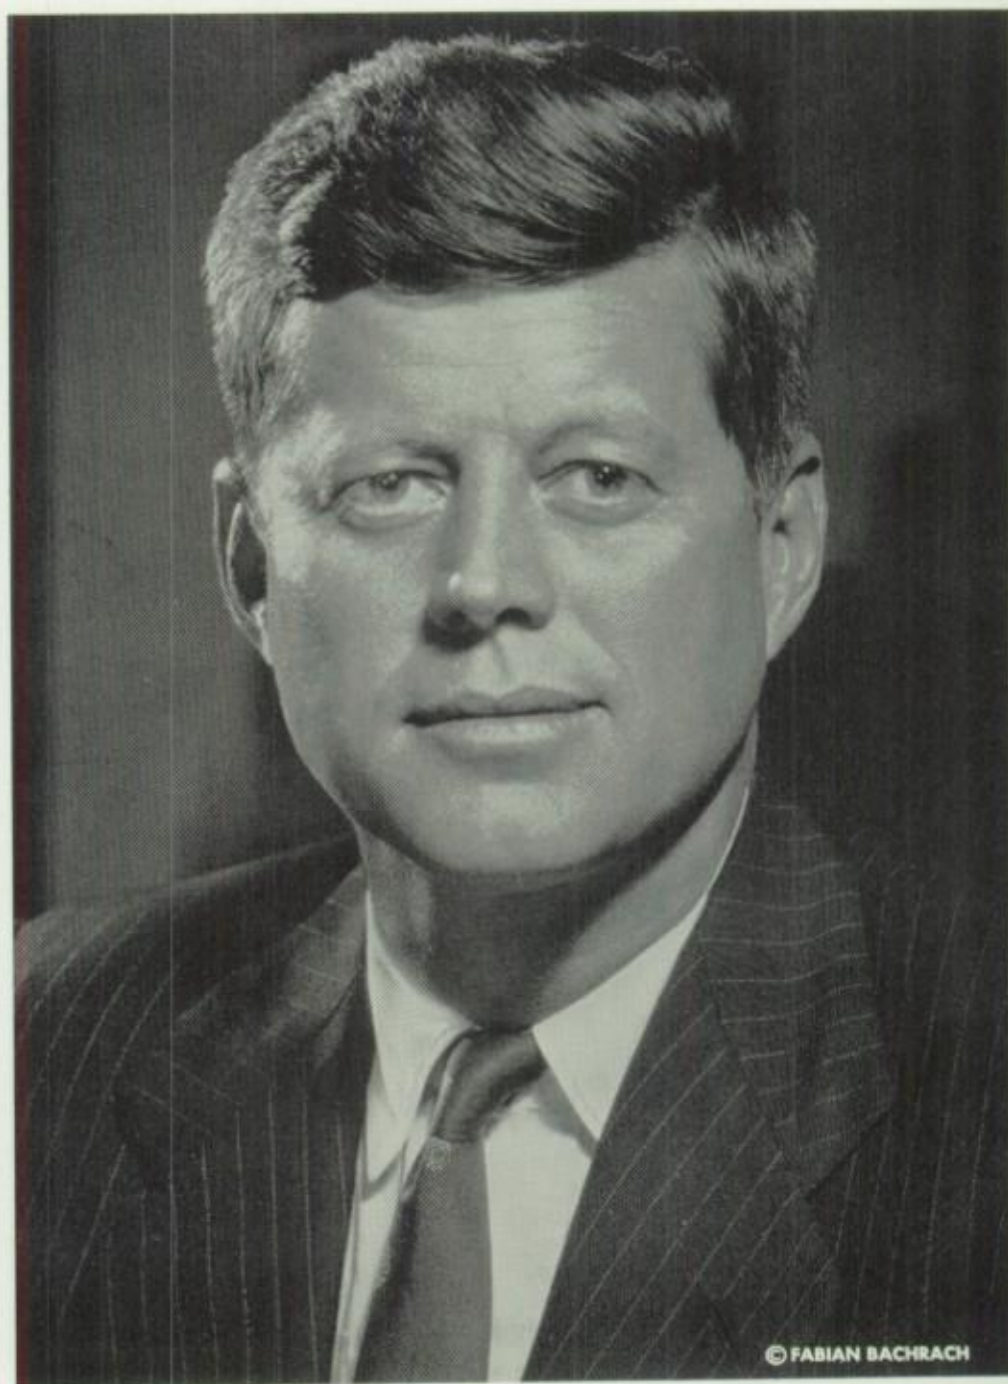

Not to be outdone, the FUTURE FARMERS OF AMERICA forgot their early morning chores for a day and elected MARY ANN HARVEY, their Sweetheart for '64.

DADS CLUB was entertained by the BRIGADE performance in November and in December the R.O.T.C. and the publications, ROUND-UP and CORRAL, put on their annual exhibit. The F.F.A. presented their Ag Boys Band directed by Tommy Zunker. It features guitars, drums and a lead guitar. Members are: Charles Jolly, Bob Savage, Alfred Farreck and John Petty.

AUSTIN is named to receive VALLEY FORGE FREEDOMS FOUNDATION AWARD for 1964 . . .

November 22, 1963

JOHN FITZGERALD KENNEDY

That day began as any other with hurrying feet, the rustle of papers, soft laughter, the rattle of lockers and school bells. When it happened a pall of silence fell that had never been known before. It seemed that there would be no sounds ever again — we prayed or we sat mute — classes stopped — we told it with tears but we did not believe it — and the color guard lowered the flag.

A hero had fallen. He was our president. We had only guessed his greatness, the love he held for all his countrymen, his courage, his great fight against evil, suffering and inequality. When he had come here to make our city Space City, U.S.A., we thrilled to his honest friendliness, his vision of the future, his enchanting optimism. He was young — young, brave and wise in the 20th century — and hopeful. He believed in us, young Americans. His spirit lives. His voice still tells us the way. “Ask not what your country can do for you, ask rather what you can do for your country.”

This is the precious heritage of John Fitzgerald Kennedy.

SPEECH STUDENTS reap loads of trophies in the many speech tournaments . . .

RICHARD VAN NATTER AND BRYAN WOLF make a habit of bringing home "firsts" . . .

BRYAN WOLF bids fair to be the SCIENTIST of the Seventies . . . he has been given facilities in the Baylor Medical College laboratories in which to do his bacteriological research. HOUSTON COUNCIL of SCIENCE CLUBS elected Bryan their president.

MUSTANG BAND has been giving superb performances . . . shared first place honors in marching parade for the second consecutive year on Veterans Day, Nov. 11. ALL DISTRICT BAND honors went to DAVID WOMACK, CHARLES DAY, ELINOR CLEVELAND, MIKE PERRICONE, HOWARD HORTON, TOM GOKA AND PAUL PIERCE.

CHRISTMAS SEASON sparkled through a few hurried days — the CHORALE gave a beautiful program . . . the BOOSTERS HAD THEIR POSTOFFICE with Jack Herrington and Suzanne Korn doing the Santa Claus honors. Mr. Novak's singing choristers entertained the Rotarians, sang at the Sheraton-Lincoln and for the P.T.A. Soloists were: JANICE GARCIA, MIKE SMITH, DOUG NEWTON, CAROLE COWGILL AND DON McCROREY.

BRIGADE BALL at the Golfcrest Country Club was a gala affair indeed . . .

January GRADUATES elected officers and a motto: "We have crossed the river but the ocean lies before us."

CHARLIE MEYERS, FRANK FITZGERALD AND SAMMY LEVASSAR gave unforgettable performances in the senior play, "THIEVES CARNIVAL."

Johnny W. Whitt was a NATIONAL WINNER in the QUILL and SCROLL Current Events Quiz for 1963.

JIMMY BONAR received a scroll of recognition from the NATIONAL COUNCIL of TEACHERS of ENGLISH . . . one of ten students in Harris County to receive this award.

Basketball continued to capture the hearts of Mustangs as our super-charged team pounded the hardwood for victory after victory to the STATE CHAMPIONSHIP in AUSTIN on March 7.

ALAN RADABAUGH, CHARLES MEYERS and DAVID WIGGINS received full scholarships to Southwest Conference Schools.

MARSHA MATHIS was chosen as OUTSTANDING TEENAGER in Austin High . . .

KENNETH MESCHKE received a \$1000 scholarship from San Jacinto Chapter, Texas Society of Professional Engineers.

GIRLS SPORTS BANQUET was held at Weldon's Cafeteria with the annual awarding of letters and citations for excellence in the various athletic fields.

JANICE GARCIA was presented in concert April 3 by the Phi Beta Fraternity of Artists.

S.A.T. scores continue to amaze everyone, and we do mean EVERYONE . . .

LETTERS of Commendation for their outstanding performance on the National Merit Scholarship Qualifying Test have been given to Dianna Beene, Nancy Grant, Valerie Lowery, Joe Nelson, Anna Lee Parks and Alan Quaintance.

NOMA SPELLING CONTEST PRESENTED 27 certificates to Austin students.

"GO TO SCHOOL NIGHT" was a big success although running a daily schedule for a son or daughter left a few parents pleasantly breathless!

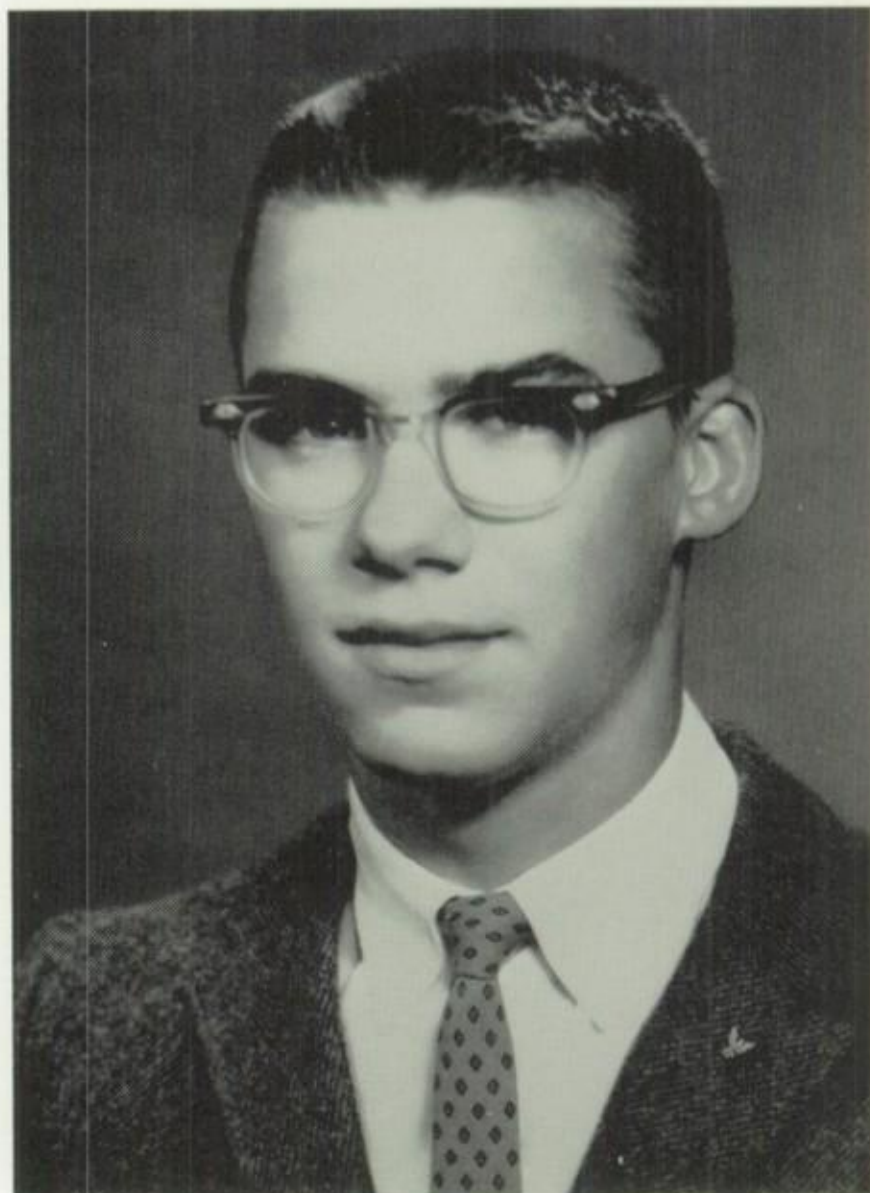

EASTER brought a special service on the campus for 200 C.S.U. members . . .

KEY CLUB ELECTED FRANK INCRAPER president and the June graduates had a most beautiful, beautiful graduation. "Let us ponder life's journey, for we walk this way but once."

National Merit Scholarships

RICHARD GRAY

ANDRE MEYER

Representing Austin High School in the national scholastic competition for scholarships and recognition this year were our outstanding students, Richard Gray and Andre Meyer. They successfully passed two rigorous competitive examinations to prove their scholarship. A further victory will assure their entrance into almost any college of their choice.

Your CORRAL staff joins the chorus of Austin in sincere congratulations to you and best wishes in your future competitions.

It was on November 30, 1937, that the Stephen F. Austin Chapter of the National Honor Society was installed. On an Autumn evening in 1963, the largest group in the school's history, thirty-six new members, were initiated. Membership is limited to the senior class by invitation only and eligibility is based upon scholarship, service, leadership and character.

SCOTTISH BRIGADE

With the whistle of Colonel Marsha Mathis, Austin's Scottish Brigade of 1963-64 entered the field for the first time, August 9, 1963, before a massive crowd gathered at Rice Stadium for the North-South All-Star High School Game. The Bagpipe Corps and the "Top Six" officers successfully represented our Brigade on November 10 at a gathering of the Texas Scottish Clansman celebration in Austin, Texas. Performances such as these have made the 1964 corps an asset to the twenty-six years of Brigade tradition.

Organized in 1937 by Miss Beatrice Lytle, the Scottish Brigade has represented our school at athletic events, on patriotic occasions, and during civic and charitable projects. Leadership, good conduct, scholarship, sportsmanship and fellowship are characteristic of its members.

Units of this organization are a Flag Corps, Bagpipe Corps, Drum and Bugle Corps, and a Drill Corps consisting of Companies A, B, and C. It is supplemented by the Reserves, an auxiliary unit training for regular positions in corps units.

Miss Betty Blakely directs Brigade activities as its dedicated sponsor. Mr. Devon Floyd directs its instrumental groups.

Reserves

A Reserve's hopes and dreams are fulfilled on Installation Day, with a squeal and a sigh. After working and waiting all year long, the magic moment has arrived! She has achieved the status of "regular" and through tears and well-wishes she accepts her achievement. Heading this year's Reserves are Lt. Colonel Carolyn Wathan and Captain Suzanne Korn.

National Forensic League

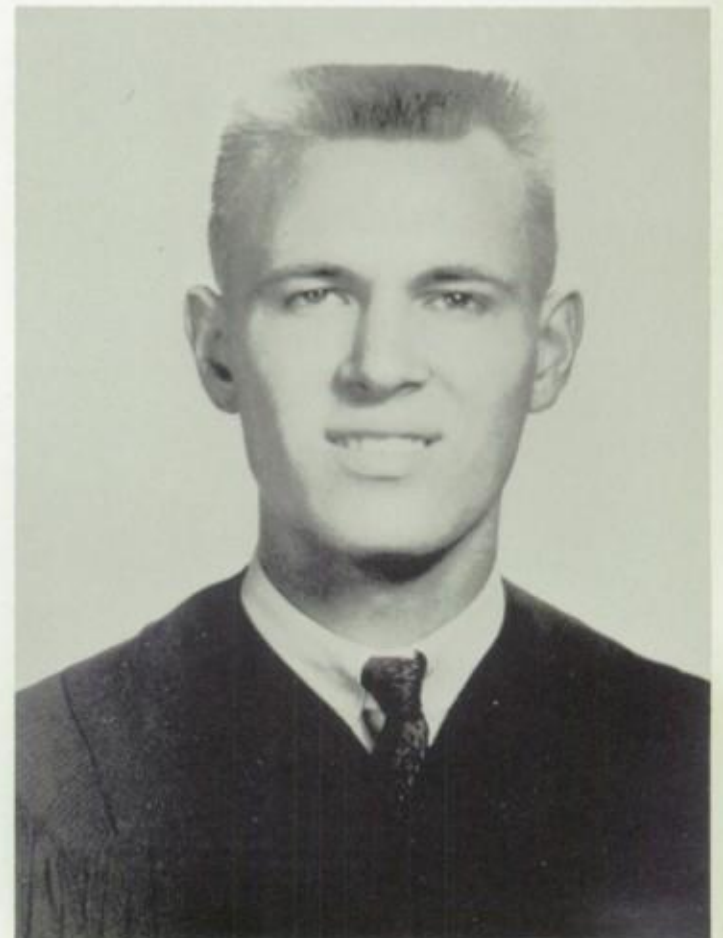

Sponsor and members produce winning oratory

The Austin Chapter of the National Forensic League, sponsored by Mr. William Grasty, actively participates in all speech tournaments, school programs and competitions in and out of the city. Its members, Austin Speech and Debate students, met with twenty-two other Houston Schools on November 22 at the Reagan Speech Tournament. Lynn Hernandez placed third with the boys' humorous interpretation. In the San Jacinto Tournament, first place went to Richard Van Natter for dramatic interpretation and first place to Bryan Wolf for his oratory. Four first place trophies were won by Sammy Kee in original oration and Mary Coke in humorous interpretation and prose reading in the Alice, Texas, Tournament. And Bryan Wolf won another first place in original oratory — this time in the Jones Tournament. Divisional competition placed Tom Hargus in the semi-finals in Poetry and Jim Bridges and Tom Hargus in Debate.

Who are this white-robed band who sing like angels — who can raise our hearts with joy and reverence in the music of Palestrina and Handel at Christmas and Eastertide? Here they are sitting in the little green shifts they sewed with their own hands, chewing gum, spraying their hair, writing notes — there is no definition of a Choralette but we know here is a group dedicated to the beauty of music. They rise like the lark to rehearse before school opens; they attend to the music library, keep records, raise funds for expenses, and then in the evenings they sing like nightingales for the entertainment of all who listen.

Members enjoy variety in their art efforts from handcraft to portraits. They make posters for all athletic events — and give time and talent cheerfully. Artists at Austin are popular and busy students.

THE FIRE PATROL sponsored by Mr. A. E. Kotrola is an alert band of students selected by the assistant principal. Their performance and responsibility in fire and disaster drills win confidence and admiration from a cooperative student body. Its members are Don McCrorey, Robert Ekman, Drexel Turner, Trey Williams, Ray Bridges, Bob Shaw, John Richardson, Mr. Kotrola, sponsor, and Alan Quaintance.

Miss Hazel Henderson's Clothing classes are vastly popular at Austin High. Every phase of costume design is studied from simple garments to tailored suits and formals. These are the lucky ones who will create their own lovely wardrobes.

The ideal of the club is to assist students in making a decision on a medical career. Its members visit hospitals, nursing schools, hear lectures by medical specialists, assist each year with the chest X-ray survey, the vision tests, and doctors' examinations. The Friday these pictures were made students were going to visit St. Joseph's Hospital, Sacred Heart Dominican College and the Veterans' Hospital.

"Let us go forward, nerved to nobler deeds, let us bid defiance to all the hosts that our enemies can bring against us."

These are the ringing words of General Sam Houston, who gave them in March of 1863, in this great city which bears his name. Though these words are over 100 years old, they still hold a very real meaning not only for Texans, but for all Americans, for they tell us to go forward, to be prepared. That is the purpose of the R.O.T.C., to prepare young men for their military service and to give the Army the young officers it needs, so that in the event that fateful day comes, we will be able to go forward . . .

The Mustangs' season opened with a bang, Sept. 14, at Delmar Stadium. Things did not start out too good, with Waltrip leading at the quarter 7-0, and at the half 13-12. But Coach Cook sure handed out the pep pills at half-time. The Ponies kept things close in hand the first half, with Ben Holton banging through the line and scampering 45 yds. for the tally. The second score was also made by Ben on a 3-yd. burst. The Rams were unaware of Hollis Dealy's ability and punted to him. Results: Hollis made a dazzling 80-yd. return to put six big points on the scoreboard. Ben said the night was not over, and then shifted into high gear and blasted over for the final TD. Ken Spain used his foot to the finest, punting inside the Ram 5-yd. line 3 times and booting extra points.

Sept. 20, the hosting Corpus Christi Ray Texans came from behind and held tightly to a 12-8 lead through the final seconds to defeat the visiting Mustangs. Ray, after taking a short punt on Austin's 26, tallied first on a 3-yd. dive, but the 2-point conversion was halted. Austin scored 2 points when a Ray center went over the punters' head and out of the end zone for a safety. The alert Mustangs grabbed a Texan fumble on their 15 and added 6 points seconds later with Ben Holton driving over from the 4. Ken Spain set Austin up on the 2 with an all-star one-handed catch. Holton gave his best, but was held inches short from victory.

Alan Quaintance and Bob Shaw combined passes with Ken Spain at Jeppesen Stadium to rattle Milby 35-12. Austin's first tally was a brilliant Quaintance to Spain pass, covering 63 yds. Stanley Ratliff recovered a Buff fumble on the following kickoff and 5 plays later an 8-yd. Shaw to Spain pass chalked up 6 more points. A 29-yd. pass from Quaintance to Dealy set up the third Mustang score which was a 9-yd. blast by Ben Holton. Milby then quickly moved 42 yds. to scratch 6 points. Moments later, Milby again moved 40 yds. to make their allotted 12 points. Hollis Dealy and Glen Jarnagin put the game on ice with bursts of 6-yds. and 3-yds. for 6 pointers. Ken Spain added 5 extra points.

The Mustangs, led by the pounding of Ben Holton and Hollis Dealy, rolled on to a victory over Sam Houston. Early in the game Charles Billingsley recovered a Tiger fumble on their 25. A few plays later Alan Quaintance tossed a 20-yd. pass to Ken Spain for 6 points. Spain's kick was good. Sam Houston followed with a 77-yd. drive ending with a 16-yd. touchdown jaunt. Herrington blocked the extra point. Richard Wuensch recovered another Tiger fumble and the Ponies went on to score with Quaintance throwing 11 yds. to Charlie Meyers. Spain's kick made it 14-6. Holton opened the fourth quarter scoring on a 3-yd. blast. Stan Ratliff set up the final tally with a pass interception. Holton capped the 59-yd. drive scampering 14 yds. through the Tiger line. Spain's kick topped the evening, 27-6.

At Jeppesen Stadium the state-ranked Yellow Jackets put on a fast finish to nick the Ponies. Austin scored first in the first quarter on Dealy's 2-yd. plunge. Spain's kick was good. In the second quarter Galena Park scored on a 52-yd. run. Then Austin came right back on David Wiggins' 55-yd. scoring dash. Spain's kick made it 14-7. In the third quarter the Mustangs scored again on a 67-yd. run by Wiggins. Late in the third quarter Galena Park again narrowed the margin with a 41-yd. 6-point pass play. The Jackets got the ball again, took to the air for 82 yds. and a touchdown tying it up. The final Mustang drive was stopped by an intercepted pass on their 26. With 11 sec. remaining the Jackets kicked a field goal clearing the crossbar by inches, but enough to give them a 24-21 victory over the Austin Mustangs.

At Jeppesen Stadium, October 17, the Lamar Redskins controlled the ball and the ball game to upset the Ponies. Lamar used the whole first quarter on a 77-yd. drive which ended at the Mustang 1-yd. line. As the first quarter was ending the Mustangs punted from the end zone but Spain's boot was short and the Redskins were in business again, this time on the Mustang 27-yd. line. Wasting no time Lamar moved the distance in five plays scoring on a 2-yd. burst. Austin roared back with David Wiggins dashing over from the seven. Ken Spain's boot was good. Lamar started another drive on their 13-yd. line with an interception and scored again a few plays later. The Mustangs were held down the rest of the night and the Redskins won 13-6.

The Austin Mustangs moved past the stubborn Bellaire Cardinals 20-19 for their first zone victory. The Cards' first score came as a result of a short 5-yd. punt. The Cards had little trouble moving the distance to paydirt and the extra point was good. The Mustangs got their offense rolling behind Ben Holton going 64 yds. in 13 plays with Holton scoring from the one. The Ponies then struck for six points on a 53-yd. pass and run play from Alan Quaintance to Ken Spain and the Ponies led 13-7. The Cards tied the score blocking Spain's punt, grabbing the pigskin and darting 20 yds. for 6 more. In the fourth quarter Holton scored again capping a 50-yd. drive. Spain's kick was good. Bellaire closed in again blocking another and scoring from the two. Frank Fitzgerald saved the Pony victory batting the extra point away.

The Mustangs disposed of San Jacinto to the tune of 28-16 behind the running of Ben Holton. The aroused Bears scored first taking advantage of a Mustang fumble. The Mustangs quickly scored again on a 54 yd. drive with Charles Billingsley sprinting for a 35-yd. touchdown. Jack Herrington pounced on a Bear fumble at their 20. The Ponies quickly moved the distance with Holton going over from the one. After the half, San Jac struck quickly, after recovering a Mustang bobble at the 21. The Bears scored the touchdown and the run for two points was good. San Jac had a golden opportunity when Hollis Dealy fumbled a punt at his seven and the Bears recovered but the play was erased by a penalty. The Bears punted again and once more Dealy fielded the ball. This time he galloped 88 yds. for the final tally:

The Mustangs scored again with 28 seconds left in the half after Ronald Wilcox recovered a fumble at their 27. Again it was Quaintance scoring on a keeper this time from the 14. The Mustangs struck again in the fourth quarter with David Wiggins moving 35 yds. for the tally. Westbury prevented a shutout scoring from the one after recovering a fumble on the Mustang two.

Charles Billingsley lies down to rest.

The Mustangs eased past the Jesse Jones Falcons much to the joy of the Austin grads who were on hand for the Homecoming. The victory left the Ponies with a 4-1 Zone I record and a three way tie for the crown. The Falcons scored first on a 14-yd. pass play in the second quarter. Jones led 7-0. The Ponies were held scoreless until the third quarter when Charley Billingsley scored from the one capping a 67-yd. drive. Alan Quaintance's extra point pass was incomplete. Jones scored again on a 68-yd. punt return. The Falcons missed the extra point. Then Quaintance and Hollis Dealy combined for a 48-yd. pass and run play which was good for six points. Dual meets found our team defeating Davis 65-12 (9 out of 10 first places) and defeating Robert E. Lee 44-37. Tennis

It's a graceful game — a great game — but it's a *spring* game so CORRAL, with a deadline to meet in February, could not wait to get scores but the players, like white butterflies in the sun, looked ready for future victories.

Students of Modern Dance practice routines

Modern Dance

MODERN DANCE, the poetry of the girls athletic courses, began enrollment for the spring term just as the photographer was making his final pictures. Grace, poise and imagination are stressed in all the movements of interpretive dancing. Its routines demand a variety of disciplined, daily exercises.

. . six, seven, eight, nine, ten pretty mermaids!

Interpretations

Jimmy Inglis helped animate archery practice by painting a target these girls really enjoy shooting at! Exeunt: Eve Buenteo, Beth Homburg, and Margie Miller—laughing!

Archery

Under the blue skies of Texas and the big oaks, these modern Dianas practice the graceful sport of archery. Guided by their sponsor, Mrs. Opal Cowan, many of Austin's students have earned their archery letters and won awards.

The Girls' Team attended the City Archery Meet in November and placed fourth.

GIRLS ARCHERY — Blue skies, trees, spring breezes, bows and arrows add up to a very pretty as well as appealing picture and sport. BASKETBALL for girls is played with intramural teams and is one of the most exciting games in the physical education program. It encourages the physical fitness around which the program is planned plus the enjoyment of a swift, competitive game demanding steady teamwork.

Track

The 1964 Track Season marks the beginning of a new era in Austin's track history: For the first time since the school opened in 1937, the cindermen will not be under the capable direction of Mr. John C. Scott who has retired. The Mustang trackmen will be supervised by Mr. Lee Beeson, assisted by Mr. John Macy, student coach, who holds distance records in running.

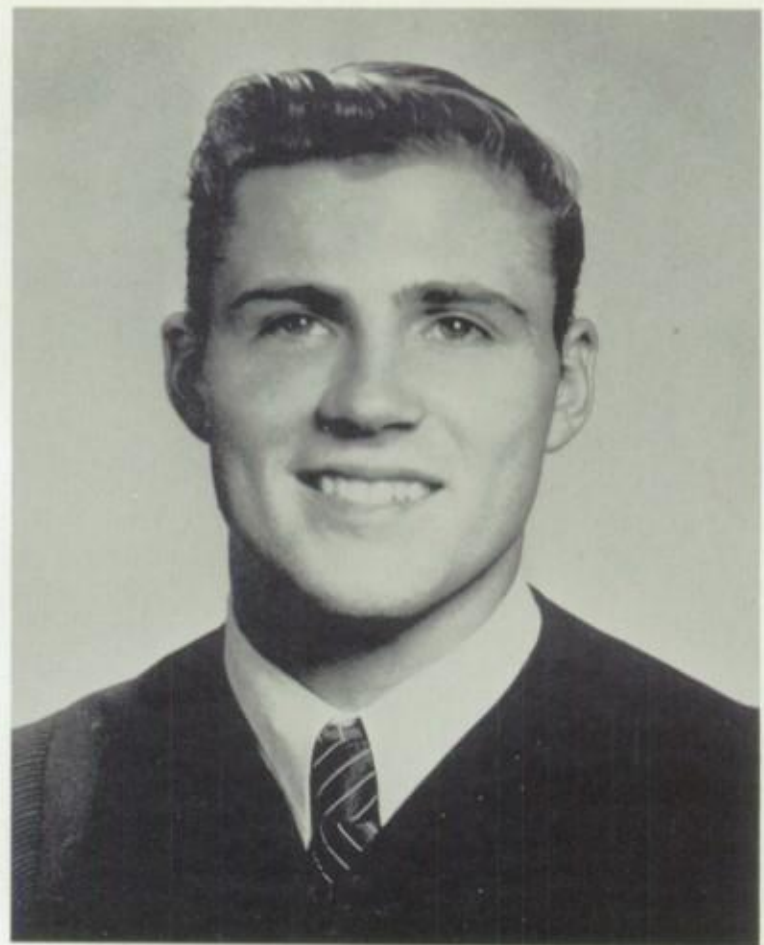

The Ponies are led by John Bueche, and high-jumping Ken Spain. Austin will feature a Five-Mile Relay Team this year led by lettermen, Larry Hubbard, Trey Helmcamp and Charles McNeill. Jerry Gilmore will specialize in the broad jump. The Austin distance men will be led by sophomore, Leonard Hilton.

The Austin Team won two first places and one second in the Jetero Relays at Aldine:

Charles McNeill—1st in 40-yd. dash

John Bueche—1st in high jump

Ken Spain—2nd in high jump

CAPTAIN of TRACK TEAM—John Bueche

TRACK TEAM, *Front Row*: Dicky Davis, Larry Hubbard, Paul Hamby and Stanley Matthews. *Second Row*: Ronnie Briggs, Leonard Hilton, Trey Helmcamp, Wayne Coates and Coach Scott.

Track

It was in 1937 that Coach John Scott came to Austin High School. Successful, cheerful and popular, Mr. Scott has coached teams in many sports, even a hockey team, but track was always his favorite. At Austin High, he has become a legend in coaching. The 1964 Track Team saw him off with overwhelming good wishes — and with regrets.

In 1962, the Silver Anniversary CORRAL was dedicated to Mr. Scott. Now in 1964, Coach Bill Cook, one of his former "boys," presented him with the gift of the faculty, a lapel money corsage with green leaves of large denominations.

The many golden trophies in the cases glitter as Mr. Scott passes through the familiar hall. May all his dreams of home life and hobbies and travel be golden ones. Our good wishes and fond memories go with you, Mr. Scott!

Members of Early Morning English Class sponsored by Mrs. Margaret Mixon

Reading — it's like a ship in full sail sighting strange, new ports — it's a time

machine, the centuries only seconds away — Shakespeare, Chaucer, Cervantes, Dante —

Robert Eckman and Karen Kasper elected by students of E.M.E. to represent their group . . .

Reading — it's a love — it's the understanding heart — it's looking into the center of life —

Early Morning English

Sponsored by Mrs. Margaret Mixon

At 7:30 in the morning, this group meets with their teacher, Mrs. Mixon, to read the classics, write reports or essays, to study words or definitions and to celebrate together those "special" days with a literary reading as background.

The aim of the early morning gathering is enrichment of their English program, arousing interest in reading and research in the classics.

A cargo of new books — treasures from afar.

CHAMPIONS THEY WENT, AND CHAMPIONS THEY CAME HOME, THEIR COACH, PAT RILEY, CARRYING THAT HUGE, SILVER TROPHY, SYMBOL OF THE STATE TITLE, 1964 CLASS AAAA CHAMPIONS.

8,000 fans cheering in Gregory Gym, Austin, Texas, witnessed the two games that won the crown for Austin High. And the Austin Mustangs had amassed the amazing record of 37-1 for the season.
